PINEAPPLE - INDIA

PINEAPPLE

Pineapple is a tropical fruit known for its vibrant yellow flesh, sweet and tangy flavor, and distinctive spiky exterior. Scientifically classified as *Ananas comosus*, it is rich in vitamins, minerals, and antioxidants, particularly vitamin C and bromelain, which may aid digestion. Pineapples can be enjoyed fresh, juiced, or cooked, and are popular in both savory and sweet dishes. They thrive in warm climates and are grown in various countries, making them a staple in tropical fruit markets worldwide.
