Fruit Slices & Pulp

INDIA

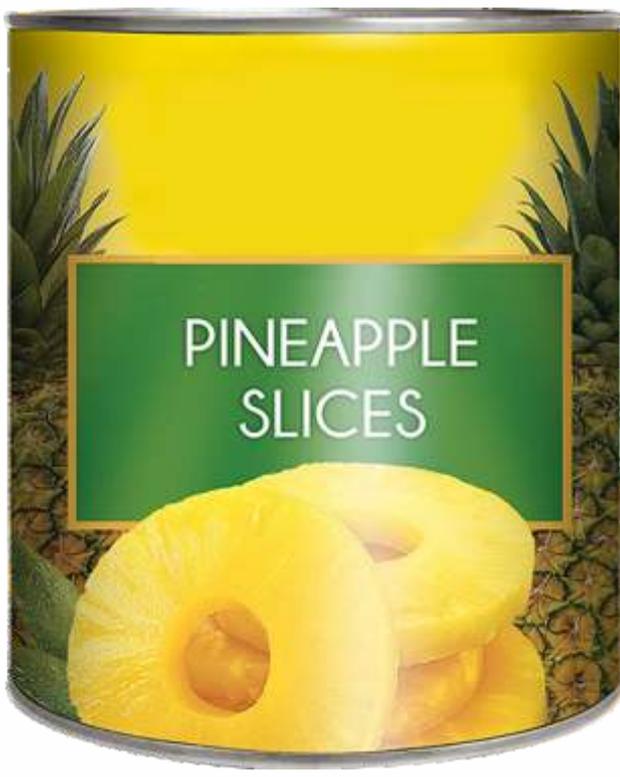

MANGO SLICES

Mango slices are smooth, succulent pieces cut from the tropical mango fruit. Known for their vibrant orange-yellow color and sweet, juicy flavor, they offer a perfect balance of sweetness and slight tartness. Often enjoyed fresh, in salads, or as a topping for desserts, mango slices bring a tropical flair and refreshing taste to a variety of dishes.

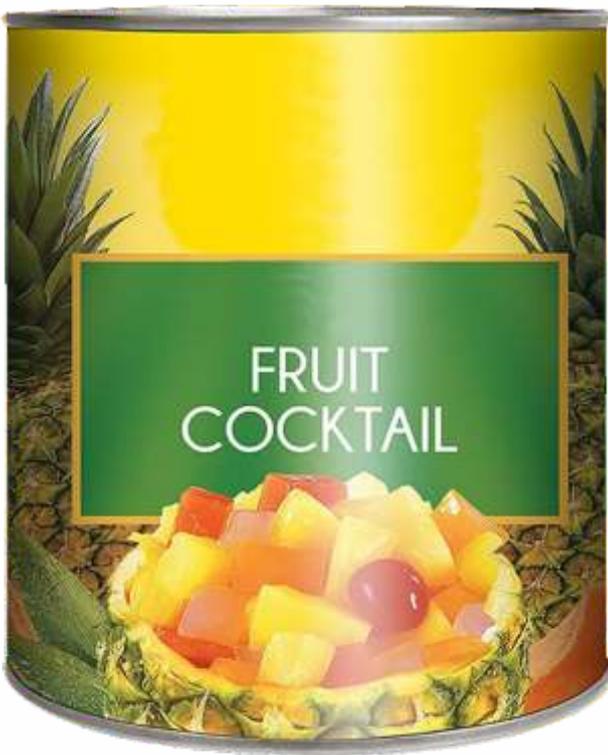

PINEAPPLE SLICES

Pineapple slices are vibrant, juicy rounds cut from the tropical pineapple fruit. They have a sweet, tangy flavor and a firm, fibrous texture. Often enjoyed fresh, grilled, or canned, pineapple slices add a refreshing touch to desserts, salads, and savory dishes. Their bright yellow color and distinct aroma make them a favorite in many culinary creations.

FRUIT COCKTAIL

Cocktail fruit slices are colorful, bite-sized pieces of various fruits, often used as garnishes or ingredients in cocktails and beverages. Commonly featuring Papaya, Pineapple, Muskmelon, Red Cherry and Raisins, these slices add a refreshing burst of flavor and visual appeal. They enhance drinks with both sweetness and acidity, making them a staple in mixology.

GUAVA RED PULP

Guava red pulp is the soft, fragrant flesh found inside ripe guava fruit, characterized by its vibrant pink to deep red color. Known for its sweet, tropical flavor with hints of berry and citrus, this juicy pulp is rich in vitamins and antioxidants. Often enjoyed fresh, blended into smoothies, or used in desserts and jams, guava red pulp adds a delightful taste and a burst of color to culinary creations.

GUAVA WHITE PULP

Guava white pulp is the creamy, pale flesh found inside ripe guava fruit, known for its mild, sweet flavor and refreshing aroma. This juicy pulp is often slightly grainy in texture and is packed with vitamins and nutrients. Commonly eaten fresh, blended into beverages, or used in desserts, guava white pulp adds a subtle tropical sweetness to a variety of dishes while offering a unique culinary experience.
