Mango Pulp - INDIA

ALPHONSO MANGO PULP

Alphonso Mango Pulp, derived from the prized Alphonso Mango variety, is celebrated for its Rich Flavor, Vibrant Golden Color, and Smooth Texture. Often referred to as "Hapus" in India, this mango is known for its Sweetness and Minimal Fiber, making its pulp an Exquisite Ingredient in Desserts, Smoothies, and Beverages. Rich in Vitamins A and C, it's not only Delicious but also Nutritious. Whether enjoyed on its own, used in Ice-Creams, or blended into Lassis, Alphonso Mango Pulp captures the Essence of Tropical Indulgence, bringing a taste of summer to any dish.

KESAR MANGO PULP

Kesar Mango Pulp, sourced from the beloved Kesar Mango variety, is renowned for its distinctive Sweet Flavor and Fragrant Aroma. Hailing from India, particularly the regions of Gujarat, Kesar Mangoes are characterized by their rich golden hue and Smooth, Fiberless Texture. The pulp is not only a delightful addition to Desserts, Smoothies, and Beverages but also packed with Essential Vitamins and Minerals. Its Vibrant Color and luscious taste make it a favorite for making traditional dishes like Aamras and Mango Lassis. Kesar Mango Pulp embodies the essence of Indian summers, offering a deliciously refreshing experience in every spoonful.

TOTAPURI MANGO PULP

Totapuri Mango Pulp, derived from the Totapuri Mango variety, is celebrated for its Unique Tangy Flavor and Bright Greenish-yellow Color. Originating from Southern India, this Mango is known for its Firm Texture and Aromatic Sweetness, making it a versatile ingredient in various culinary applications. The Pulp is rich in Vitamins A and C, making it a nutritious addition to Smoothies, Desserts, and Savory Dishes. Its slightly Tart Taste pairs well with other fruits and ingredients, enhancing the Flavor Profile of Salads, Sauces, and Beverages. Totapuri Mango Pulp captures the essence of Tropical Mangoes, offering a Refreshing Burst of Flavor in every bite.
