

FRESH POMEGRANATES INDIA

FRESH POMEGRANATES

Description

Fresh Pomegranates are highly famous for their wholesome qualities. Our supplied pomegranates are carefully picked from productive farm areas to ensure purity and naturalness, which further helps in maintaining good health. Our fresh pomegranates are abundant with rich minerals, vitamins, polyphenols & flavanoids which help in quenching thirst as well as works as an anti oxidant boosters.

Fruit is nearly round and hard

Leathery shiny skin

The edible portion transforms from deep pink to bright red Juicy, crunchy seeds

Distinctive protruding flower end

Outside skin polished and cleaned with soft long hair brush
